Summary

Aspiring Software Engineer and Data Scientist | Passionate about crafting innovative solutions through code and data-driven insights

Welcome to my LinkedIn profile! I'm Akshat Singh Nayal, a dedicated and driven student with a strong passion for the realms of software engineering and data science.

Education: Currently pursuing B.Tech in Computer Science at Shri Ramswaroop Memorial College Of Engineering & Management. Eager to continuously expand my knowledge and stay updated on the latest industry trends.

Why Software Engineering and Data Science? I believe that at the intersection of coding and data lies the power to transform ideas into impactful solutions. I'm on a mission to develop robust software applications and harness the potential of data to uncover valuable insights.

Technical Proficiencies: Proficient in programming languages such as Python, and C++, with hands-on experience in HTML, CSS, Bootstrap, Tailwind, and JavaScript for Web-Development. Skilled in database management, algorithm design, and problem-solving. Excited to leverage these skills to create dynamic and responsive Fullstack web applications.

Continuous Learner: I'm dedicated to lifelong learning and thrive in dynamic environments where challenges fuel my growth. I'm actively pursuing a Fullstack Web-Development course to further enhance my skills and contribute effectively in the tech industry.

Moreover, I hold certifications from HackerRank in Python programming and problem solving, showcasing my commitment to mastering core programming concepts and logical thinking. Additionally, I'm enthusiastic about expanding my horizons and am currently immersed in learning the intricacies of data science, driven by my curiosity to extract insights from complex datasets.

Let's Connect: I'm eager to connect with fellow students, professionals, and mentors who share my enthusiasm for software engineering and data science. Let's collaborate, share ideas, and inspire each other!

Feel free to reach out if you're passionate about technology, coding, or data science. Let's embark on this exciting journey together!

Education

**SHRI RAMSWAROOP MEMORIAL COLLEGE OF ENGINEERING AND
MANAGEMENT, LUCKNOW**

Bachelor of Technology - BTech, Computer Science

Aug 2023 - Sep 2027

Licenses & Certifications

Python (Basic) Certificate - HackerRank

a0ef1b5117ea

Problem Solving (Basic) Certificate - HackerRank

a4bf6797e19b

Problem Solving (Intermediate) Certificate - HackerRank

b9029a9bc18b

CSS - HackerRank

8e47543eeaf1

Skills

JavaScript • Bootstrap (Framework) • Cascading Style Sheets (CSS) • HTML5 • C++ • Problem Solving • Python (Programming Language) • JavaScript • Node.js • Express.js
